

# CERTIFICATE

## of factory production control

**No. 0035 – CPD – C600**

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product welding consumable

<b>Filler material</b>	<b>Tubular cored electrodes EN ISO 17632-A, EN ISO 17633-A, EN ISO 12153</b>
<b>Manufacturer</b>	<b>KOBELCO WELDING OF EUROPE B.V. Eisterweg 8, NL-6422 PN Heerlen, The Netherlands</b>
<b>Factory</b>	<b>Eisterweg 8, NL-6422 PN Heerlen, The Netherlands</b>

is submitted by the manufacturer to the initial type-testing of the product and a factory production control and that the approved body – TÜV Rheinland Industrie Service GmbH - has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control. This certificate attests that all provisions concerning the attestation of factory production control described in the standard

**EN 13479 and Annexe ZA**

were applied. This certificate was first issued on 2006-08-18 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly and

**Valid until July 2015**
